

Community Conferencing Facilitators Training

What: Community Conferencing is a restorative justice based program for non-violent offenders aimed at repairing the harm inflicted by crime, restoring a sense of community and providing an alternative to incarceration. The training will allow you to facilitate actual criminal cases that involve offenders, victims, youth and community members. It is an invaluable skill to learn and can greatly benefit your youth and the surrounding community!

When: Thursday, April 15th 8:30—4:30 and Friday, April 16th 8:30—4:30
