Victim's Rights

The entire community is the victim of drugs and gun violence.

As victims, we have mandated rights of victims.

- The right to be informed of the criminal justice process.
- The right to know that a crime has occurred in your neighborhood.
- The right to have anonymous input into sentencing of drug and gun crime defendants.
- The right to community restitution.

Help fight the good fight!

Keep dealers and violence off the streets of Milwaukee County!

Keep our neighborhoods safe from drugs and guns by
becoming involved and making your voice heard.

District Attorney's Community Prosecution Unit

The Community Prosecution Unit is a community-based crime fighting initiative, working out of neighborhood offices and collaborating with others (including residents, community groups and other government agencies) in the development of problem-solving initiatives. Community prosecution is founded on the idea that prosecutors have a responsibility not only to prosecute cases but to solve public safety problems, prevent crime and improve public confidence in the justice system. In many cases, community stakeholders actually help to set the crime-fighting agenda and participate in the solutions. Definitions of success are changing as well. Rather than simply tallying cases won or jail sentences imposed, community prosecutors are measuring the effect of their work on neighborhood quality of life, community attitudes and crime.
